

Immingham Green Energy Terminal (IGET)

Have your say

Second Statutory Consultation 24 May 2023 - 30 June 2023

This map shows the updated proposed site boundary for the IGET proposals.

Introduction

Between Monday 9 January 2023 and Monday 20 February 2023, Associated British Ports (ABP) consulted on its proposals to construct, operate and maintain the Immingham Green Energy Terminal (IGET) – a new multi-user liquid bulk green energy terminal located on the eastern side of the Port of Immingham. Since then, several changes have been made to the proposals for the project as a result of the development of the design of the project and how it will be constructed, and to also respond to relevant feedback from the first Statutory Consultation.

This brochure provides an overview of the changes to the proposals and the second Statutory Consultation process, which is taking place from Wednesday 24 May 2023 to Friday 30 June 2023. This brochure contains information on the following topics:

- Second Statutory Consultation
- Overview of changes to the IGET proposals
- Environmental Impact Assessment and addendum to the Preliminary Environmental Information Report (PEIR)
- How to have your say
- Next Steps

Engagement so far

In August 2022, the IGET team introduced the project to the owners and occupiers of properties and stakeholders located closest to the site through correspondence and a series of meetings held from August to December 2022.

In January and February 2023, the IGET team held the first Statutory Consultation for six weeks and ran six drop-in sessions on the proposals. If you would like to view the information shared at this time about the proposals as a whole, please visit our website at imminghamget.co.uk/documents

Second Statutory Consultation

Following our engagement so far, the IGET team has made several changes to the proposals. These are a result of both responding to feedback, and design evolution as we move towards submitting the DCO application.

To ensure local stakeholders and the community have the opportunity to understand and comment on these changes prior to submission, we are running a second Statutory Consultation from **Wednesday 24 May to Friday 30 June 2023**, focusing on these changes.

Changes to the IGET Proposals

The following changes have been identified for this second Statutory Consultation:

- Amendments to the proposed site boundary
- Marine design changes including jetty alignment and length; berth arrangement and associated requirements
- Routing of the pipe-rack and Jetty Access Road in the Long Strip woodland
- West Site illustrative Layout, elevation and drainage
- Construction Vehicle Numbers increasing to deliver additional fill materials for the West Site
- Permanent adjustment to speed limits on Laporte Road
- Public Rights of Way diversion (Public Bridleway 36) and removal of informal access in two areas
- Temporary removal of Kings Road street furniture and overhead line works.

There may be a copying charge for certain documents, including the PEIR, of up to a maximum of £300. We will also be able to provide the consultation documents and materials on USB sticks for those who have access to a computer but not to the internet. You can contact us to arrange for copies of the information you require, or to discuss your information needs, by sending an email to enquiries@imminghamget.co.uk or by calling Freephone **0808 175 3233**.

Hard copies of the consultation documents will also be available to view at Immingham Civic Centre, Pelham Road, Immingham, DN40 1QF (Mon-Fri, 9am-5pm) and at North East Lincolnshire Council Offices, Municipal Offices, Town Hall Sq, Grimsby DN31 1HU (Mon-Fri, 8:45am-4pm) from Wednesday 24 May 2023 to Friday 30 June 2023.

If you or someone you know needs consultation documents in an accessible format, please email the team at enquiries@imminghamget.co.uk or call Freephone **0808 175 3233** to discuss your requirements and arrange accessible copies.

Environmental Impact Assessment (EIA)

To support the consultation on these changes, we have prepared an addendum to the Preliminary Environmental Information Report (PEIR) that was presented at the first Statutory Consultation. This report provides an overview of the changes, discusses and analyses any changes to the likely significant effects as assessed in the PEIR and identifies where further assessment is required. This information will also be used to support the final Environmental Statement when we submit the DCO application.

Consultation Events

ABP will be holding the following in-person exhibitions at the Burton Hall at **Immingham Civic Centre, Pelham Road, Immingham, DN40 1QF**, which you can attend to find out more about the proposals:

- **Thursday 22 June 2023, 14:00 – 18:00**
- **Saturday 24 June 2023, 10:00 – 14:00**

If for whatever reason these dates or times change, those changes will be posted on www.imminghamget.co.uk

Getting Involved

Below are details about how you can get involved with the Statutory Consultation.

- **In person public exhibitions:** you can attend these events (details below) to view copies of the consultation documents and plans in person.
- **Consultation website:** all details on the proposals, the consultation activities, documents, feedback questionnaire and how to submit your comments are available on our website www.imminghamGET.co.uk
- **Consultation documents:** all the consultation documents and materials are available to view and download online (free of charge) on the consultation website.

If there is interest, we may hold a webinar on the proposals. If you are interested in a webinar, please email us at enquiries@imminghamget.co.uk

For those who would like hard copies, the documents and consultation materials that are on the consultation website can be made available on request.

Have your say

A feedback questionnaire has been produced to help you provide comments on the Proposals. An online version is available on the consultation website at www.imminghamget.co.uk

Alternatively, you can submit your views on the IGET development to us by:

Emailing: enquiries@imminghamget.co.uk

Writing to:
IGET, PO Box 76780, London WC1A 9SJ

Calling: Freephone 0808 175 3233 (Monday to Friday, 9am to 5pm) to request a hard copy feedback questionnaire and/or a pre-paid stamped addressed envelope be sent to you (free of charge) and then returning the completed questionnaire to us.

All responses must be received by us **in writing before 23:59 on Friday 30 June 2023**.

We will consider all responses received in this time, which will inform our application documents submitted to PINS with our DCO application.

For more information about the project or Statutory Consultation please visit www.imminghamget.co.uk
